The Haunted Forest

WICKED WITCH

(Laughs)

So! You won't take warning, eh? All the worse for you, then. Hah! When I gain those ruby slippers, my power will be the greatest in all of Oz! And now, my beauties something with a little sting in it's step! Jitterbugs... yes! My lovely dancing Jitterbugs, show yourselves!

The JITTERBUGS emerge from the shadows.

(WICKED WITCH)

Make her dance, dance, dance! Until those ruby slippers fall from her feet! Now go!
